

CL Challenger Lifts

Features and Benefits

CL4P9X & CL4P9W

9,000 lb. capacity Home Storage and Light-Duty Commercial General Service 4-Post Lifts

The Automotive Lift Institute (ALI) certifies that the CL4P9X & CL4P9W lifts described herein complies with the applicable provisions of the American National Standards ANSI/ALI ALCVT 2006 and are Third Party Validated by the ETL Testing Laboratory.

- 1** For superior strength and dependability, yet light enough to move around the garage
- 2** With optional 220V version available
- 3** For additional versatility in space constraining bays or garages
- 4** Allows it to be either Free-Standing or Bolt-to-Floor

- 5** Accommodates optional rolling jacks, jack trays, drip trays, and storage platforms
- 6** For minimal wear and maximum dependability
- 7** Meeting ANSI safety standards
- 8** Provides additional rigidity especially for free standing setup

Storage Application

Service your vehicles or store them up top. With 80" rise height, most full size vehicles are easily parked underneath for everyday use. Optional drip tray set completes the storage application, keeping any fluids from contacting the vehicle underneath.

Service Application

Professional grade quality with 80" high rise and multiple lock positions is perfect for light duty service up to 9,000 lb. capacity. Optional rolling jacks and jack trays provide quick tire and brake work access.

Rolling Jacks - RJ4.5

Optional 4,500 lb. capacity rolling jacks allow brake and wheel access, broadening potential service revenue.
